

CLEANTECH PRIVATE CAPITAL DAY 2018

October 3rd
UCI Applied Innovation

Sustain OC, ROTH Capital Partners, CMA and Procopio have partnered on **Cleantech Private Capital Day** for an array of established private cleantech companies and private investors from family offices to VCs. This event will be hosted at **UC Irvine Applied Innovation** on **October 3, 2018** in a 1-on-1 format punctuated by a morning keynote and sector panels. Event partners have been reaching out across the U.S. to the most influential private cleantech companies and most impactful investors in the space to bring together the first of its kind in Orange County.
